

Animal Control Contract

It is hereby agreed that, for the privilege of maintaining livestock, within the jurisdiction of Minneapolis, the applicant shall uphold and obey the rules outlined herein.

1. Premises of domicile shall be inspected by the Animal Control Commission, PRIOR to the occupancy of any livestock. The keeping of the animals shall not be offensive, a nuisance or unsanitary.
2. That the structures and fencing shall be in order as to maintain animals safely and humanely and shall be kept in good order, under penalty of fine and possible revocation of permission.
3. Approval of neighbors within two hundred (200) feet of the property must be obtained and their signatures on this application.
